# General information

Thank you for supporting your children by saying goodbye promptly on the playground. If you need to speak to one of us regarding any concerns in the morning or after school, due to our COVID drop off procedure, please contact the school office via the 'Get in touch' tab. They will pass on your concerns and we will endeavour to get back to you as soon as possible.

P.E. with Ignite sports is every Wednesday. Please ensure your child arrives at school wearing their P.E. kit in accordance with the school's uniform policy and have jogging bottoms and a warm top for colder weather. Please also ensure your child wears a pair of trainers, as school shoes are not suitable for P.E.

**Please ensure all uniform and P.E. kits are clearly named.**

# General information

Please provide your child with a named water bottle. We do provide fruit on a daily basis, however, you are welcome to provide your child with a healthy snack.

**Please remember we are a nut free school.**

Whilst the weather is still changeable, your child will need a sun hat and coat each day.

If you are delayed collecting your child at the school pick-up time; 3:10pm, please notify the school office as soon as possible so we can reassure your child that they will be collected or if they are being collected by someone else.

# Phonics Screening

Due to the Phonics check being cancelled in June 2021, Year 2 children will have their statutory phonics assessment at the end of the Autumn Term 2021. To support children with their phonics skills, we have daily Phonics sessions and some children have Phonics interventions throughout the week.

Please visit: <https://www.youtube.com/watch?v=UCI2mu7URBc> to support your child with the correct pronunciation. This is so important that both you and your child are pronouncing sounds correctly so that they are able to decode words easily.

<https://home.oxfordowl.co.uk/reading/learn-to-read-phonics/> also has the sounds and advice for parents regarding Phonics.

# Accelerated Reader

Each child takes a STAR Reader test once per term to determine their ZPD (reading score.)

Children choose a book to read at school and home with the support of the class teacher and TA.

Children don't have to read every book in the level but need to read a wide range, and be scoring 85-100% on the majority of quizzes before they can move up to the next level.

Children should read on average 20 minutes each day to make maximum progress.

Once the child has read the book, they quiz the following day. For the younger children, we ask them to read the book twice so that they are more likely to score 100%.

# Accelerated Reader

Children can quiz during the day, they cannot quiz at home.

Computers are always on AR homepage for children to quiz.

Aim is to get 85% or more on the quiz.

Teacher and TA to write down the score they got in their reading record and support them in choosing a new book.

Depending on how they have scored on their quiz will depend on how many points they achieve to go towards their target - if they get 100% they will earn all the points.

Targets get checked by teachers and adjusted when they reach the top of their flower.

# Reading targets

The screenshot shows the Accelerated Reader interface. At the top, there is a browser address bar with the URL <https://ukhosted53.renlearn.co.uk/2233398/AR/Stu> and a tab titled "Accelerated Reader". The page header includes the Renaissance Learning logo, the user name "Riley Cherry", and navigation icons for Reading, Progress, and Bookshelf.

The main content area is titled "My Reading" and displays a progress bar. The target is 12.0 points, and the current progress is 3.5 points. A sunflower graphic is used to represent the progress, with a vertical line indicating the current level. A "Find My Next Book" button is located at the bottom of the progress bar.

# Homework

Homework will be to read every night for up to 20 minutes, five times a week.

When reading, please question your child about the book as reading is not just about the written word, it is also about your child's understanding of the book.

Please help your child learn to read and then spell the Year 1 and 2 common exception words. These can be found under the common exception words tab on our class pages. Children are expected to know how to read and write these words by the end of Key Stage One.
