

Angles Investigation

Exploring the objects around you, can you spot 3 acute angles, 3 obtuse angles, and 3 right angles?

When you find an angle, fill in the table below with the name of the object and a diagram of the angle.

Angle Type	Object	Diagram
Acute		
Acute

Right angle		
Right angle		
Right angle		

Angles Investigation

EXTENSION: Can you put all of your angles in order of size from smallest to largest?
(Remember all the right angles should be the same!)
