

Year 5 (Kestrels and Hawks) - Home Learning Plan Term 6 week 7

This term our Topic will be 'Peasants, Princes and Pestilence'- which is about life in the 14th Century Britain. There is lots to explore and find out about from this period in our history.

Please read carefully the instructions for each day.

If you are in school you do not need to do the home learning for those days. We will cover the same things in school. Just look at the home learning for the days you are at home.

PE

9 am every morning Joe Wicks is running a live session for children online.

<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ> will take you to the YouTube channel.

Or, if you like to dance, here is a link to some videos you may like to try out.

or perhaps some mindful relaxation with **Cosmic Kids Yoga** or **Peace Out** meditation.

READING

This is the link to our Accelerated Reading hub. <https://ukhosted88.renlearn.co.uk/6708070/>

You should be quizzing on books you are reading at home by logging on here (same login details as in school).

(Mrs Bramwell is checking quiz levels and scores regularly). www.arbookfind.co.uk is the website where you can find out the level of the book you/your child wants to read.

Parents, it is always valuable if you could listen to your child reading aloud; you could enhance their comprehension and deepen their understanding by asking questions - e.g. how a character feels,

- why a character feels a particular way
- why a character acts/behaves in a certain way (motives)
- why a character says certain things (motives)
- why a character says things in a certain way (motives)
- why a character does things in a certain way (motives)
- what a character thinks
- why a character thinks/believes/expects (etc) certain things.

Oxfordowl.co.uk is a great website. Free to register and lots of activities and e-books to read.

Literacy

This week we will be continuing with writing some **poetry**. We will be following BBC bitesize lessons and completing the activities that follow each one. Make sure you read through the pages carefully and replay the video clips if you need to. We are not sticking to our topic theme for poems this week. You can write about anything you like.

<u>Monday</u>	<u>Exploring Poetry</u> https://www.bbc.co.uk/bitesize/articles/z97n2v4 Work through the activities. The sheets you need are in Resources.
<u>Tuesday</u>	<u>Rhyming in Poetry.</u> https://www.bbc.co.uk/bitesize/articles/z3tx8hv Work through the activities. The sheet you will need for activity 2 is in Resources.
<u>Wednesday</u>	<u>Learning a poem off by heart.</u> https://www.bbc.co.uk/bitesize/articles/zs9csk7 Please do not send a video of you saying the poem. We will be looking at this again next year, so all the practice you do now will put you in a really good position for our poetry sessions then. Just have fun practicing.
<u>Thursday</u>	Using all you have learnt about poetry writing in the last two weeks, you now have an opportunity to put it all together. Today you are going to write a poem about your time in Langford. Include what you have learnt to do or learned to do better. Tell us what you have enjoyed and maybe topics, trips, events you have enjoyed. You can choose the style of poem, whether it rhymes or not, how many verses it has....so much choice! 😊 You can use all the help videos from last week if you need to, they are still on the classroom page. We would love to create a poetry collection of all you work to celebrate the end of your time in Year 5. Type up your work into the 2DO 'Langford Poem'
<u>Friday</u>	To end the week, today, you can write another, short poem about what you hope to achieve in Year 6. What are you looking forward to? What do you want to get better at? Again, the choice of style and length is up to you. Have fun! You can use the 2 Do 'Year 6 Poem' to write it up and submit it.

Year 5 (Kestrels and Hawks) - Home Learning Plan Term 6 week 7

Afternoon - Topic

Monday	DT	<p>During the medieval times, knights would have used a banner to help identify themselves during battles. They would be brightly coloured and often have elements of the knight's coat of arms on it.</p> <p>Research what medieval banners looked like and make some sketches of your favourite ones.</p> <p>Use elements of your research to design your own weaved medieval banner like the example below.</p> 
Tuesday	DT	<p>Today you will be making your woven medieval banner. Use the link below to help you:</p> <p>https://www.hobbycraft.co.uk/ideas/kids/how-to-make-paper-weavings</p> <p>You might like to add some extra details such as tassels or make more than one banner using different materials to weave with (e.g. wool or recycled items such as plastic bags).</p>
Wednesday	Computing	<p>Create a quiz on PurpleMash using 2Quiz (find this from the homepage by clicking: Computing/2Quiz) to show what you have learnt during our topic of 'Peasants, Princes and Pestilence'.</p>

Year 5 (Kestrels and Hawks) - Home Learning Plan Term 6 week 7

		<p>You could focus on one element, such as Black Death or knights, or include a mixture of topics.</p> <p>Once you have completed your quiz, post it on the 'Topic Quiz' blog (from the homepage click sharing/shared blog/topic quiz). You will need to make sure your 2Quiz is saved in your 'my work' file on PurpleMash and add it to the blog using the 'work picker' option.</p>
Thursday/Friday	DT	<p>Over the next two days, you will be making your own dragon puppet using the link below.</p> <p>http://www.createinthechaos.com/printable-dragon-marionette-puppet/</p> <p>Once you have completed your puppet, you could create another medieval character (a knight, a prince, a peasant, etc.) and even perform your own puppet show or create an animation with them.</p>
