

Year 2 Term 6 Week 6 Home Learning

	Monday	Tuesday	Wednesday	Thursday	Friday
Literacy	Look at the Powerpoint on riddles and try to guess the animals. Now complete the riddles sheet - write the name of the animal and draw a picture of it.	Look at the Tuesday Powerpoint. The riddle monster would like some more riddles! Choose an animal and on the sheet, fill in the boxes to describe the riddle - remember it needs to be tricky!	Handwriting! Using one of your reading books, writing out some sentences in your best handwriting.....challenge..... join up your letters! Remember keep your ascenders high and your descenders low. Send a picture of your writing to me on Purple Mash if you can!	Write your riddle! Fold a piece of paper in half and on the top, write your riddle. Then lift up your paper and draw the animal underneath. Remember to write a tricky riddle at the beginning and end with 'what am i?'	Choose a different animal to write a riddle about- choose one from the rainforest, or the jungle, or maybe a pet? Try and make it tricky!
Maths	Big Maths Beat That Watch White Rose video (Week 11 lesson 1) Complete litres activity cards 1-3. Extension- what objects can you find around your house/ the classroom that you would measure using litres instead of millilitres?	Big Maths Beat That Watch White Rose video (Week 11 lesson 2) Complete thermometer activity. Read the number at the bottom of the thermometer, can you colour up to the correct point on the thermometer to record the temperature? Extension- the challenge underneath the activity. Let us know what you find out.	Big Maths Beat That Let's practice what we have learnt. Have a look at the Litres and Millilitres challenge cards. Choose 3 challenges to have a go at if you can. Talk to someone in your household about what you have learnt from completing the challenge.	Big Maths Beat That Watch White Rose video (Week 11 lesson 3) Complete O'clock and half past activity, Don't forget the big hand and the small hand. Underneath the first activity you write the time, underneath the second activity you draw the hands.	Big Maths Beat That Watch White Rose video (Week 11 lesson 4) Complete page 5 of quarter to and past activity. Don't forget the big hand and the small hand.
Reading	Try to read and quiz every day!	Try to read and quiz every day!	Try to read and quiz every day!	Try to read and quiz every day!	Try to read and quiz every day!
Topic	<ol style="list-style-type: none"> This week we are going to make a leaflet on a big cat of our choice. Job one is to research the Big Cat. You will want to look for where they live, what they eat, do they have any predators? Can you find any fun information about them? Job two plan out your leaflet. What will it look like? How many folds will it have? What information will you have on each page? Where will you have pictures? You can look up some leaflets online for inspiration.
