### Easter Egg Hunt

## FUNDS

You will be pleased to know that some of the funds that we have raised so far have gone towards a set of football goals which have already been put to very good use already.

What is our new fundraising target? What are we fundraising for? Well it has been decided that we are going to update the PA system in the hall which will also include a good speaker system that can be used outside for sports days.

We are also going to be looking to update the playground, paint new lines for the netball pitches and provide new games for the children to play with. As to target, we don't have one as yet but once we do I shall update Otis.

## PAST EVENTS

### Bags2School Collection

Now that the snow has gone (hopefully?!) and we are full of the joys of Spring, now is a great time to have a clear out of all the woolly jumpers to make space for all the colourful t-shirts and shorts!! You have time over the Easter holidays to fill a bag (see letter attached for further information) so please bring them in and put the bags on the grass near the bicycle shed near Cygnets.

### School Disco

Yes, you read it right the first time – the next school disco will be on a SATURDAY! We thought that we would try something different this time as we know that there are some children who miss out on the Friday school discos due to the various sports clubs they attend. The times will be the same as usual so that it doesn't add to any confusion. A letter will be sent out closer to the time explaining this further.

### Father's Day Sale

Following on from the success and the fantastic feedback from the Mother's Day Sale, we are going to do the same for the Dad's/Grandads or other significant males.

### Father's Day Bingo/Quiz Night

We will be having a bingo and quiz night in the school hall. Doors will be opening at 6.45pm with a view to starting the event at 7pm. Dad's first drink will be free! More details to follow later.

### Langfest 2018

Langfest is returning for another year! We will be having live bands and various shows throughout the day plus games, bouncy castles, bar and barbeque. The time will be the same of 2pm to 7pm so we are hoping for better weather this time to really bring in the crowds! Again, further details to follow.
