

To make a dinosaur mask, you will need:

1. Paper plate
2. Green paint
3. Paint brush
4. Brown and yellow card
5. Black felt tip
6. Scissors
7. Glue

Instructions:

1. Paint the paper plate with green paint and allow to dry, then cut off the bottom third.
2. Cut the edge of the mask into a scallop shape and cut out two round eyeholes.
