

PE & Sport Premium Funding Statement for 2024-2025

We received £19300 from the Government in the financial year 2024 -2025 to enhance physical education and sport in school. PE & Sport Premium funding is for children from Year 1 – Year 6, however, at Langford, we feel it is important to share the benefit throughout the primary setting, including in Nursery and Reception.

We plan the use of this money to further extend provision within the PE curriculum to ensure that all children:

- Develop competence to excel in a broad range of physical activities including a range of after school clubs
- Are physically active for sustained periods of time
- Engage in competitive sports and activities
- Lead healthy, active live
- Receive additional physical activities including Forest School, Orienteering and work towards a daily mile.

We use this money in a variety of ways. Staff play an intrinsic part in raising the profile of sports and healthy living. We have embedded some of the provision outlined below into our budget planning with the aim of sustainability in future years.

Objective	Action	Funding	Impact	Sustainability
To provide a variety of lunch time and afternoon curriculum PE and sports options	Employ a sports coach for five hours a week to provide a variety of sports activities.	£8000	Children benefit from a more varied experience; access to a broad range of sports and games; increased physical activity in the school day; increased adult support and encouragement (organising games, refereeing, etc.); extra support for children who find it hard to regulate their behaviour in unstructured time.	Ongoing
To support the Foundation Stage Unit in their active learning	Financial support so that each child has access to quality outdoor learning, regular updates and changes to provision, activities and equipment. Including Forest School and Orienteering.	£1300	Early Years children enjoy active time outdoors, experience risk taking, develop team building and social skills, problem solve and develop cross curricular links.	Ongoing
Transport to events and swimming	Financial support to enable pupils of all ages to attend	£4000	To offer external opportunities for children to engage with something exciting and new.	Ongoing

	regular competitions and events.			
To encourage active learning outdoors using the local Environment (equipment, grounds, maintenance of equipment, pool hire)	Swimming boosters, orienteering, sports activities, clubs and forest school.	£1000	Children enjoy active time outdoors, experience risk taking, develop team building and social skills, problem solve and develop	Ongoing
To ensure all children leave primary school able to independently swim 25m.		Included in transport costs	To give children confidence and build swimming strength for older children, in addition to that provided within the curriculum.	Ongoing
To enhance sporting opportunities outside school for all age groups	Membership to NOSSP	£3000	Children to experience a range of sports in a secondary school setting and compete in a friendly manner against other schools.	Ongoing
To extend the provision outside, including climbing and updating and replacing consumable equipment,	Ensure that all equipment is up to date, plentiful and safe. This includes all PE equipment in the safety checks that requires replacement.	£2000	Children to experience a range of sports with the correct equipment and safety measures. Large project to update and replace the climbing equipment and update the physical area for forest school.	Ongoing.
To extend the number of after school sports clubs	To continue to offer a range of sports after school clubs	No cost	Children get the chance to try out new sports after school.	Ongoing
To make all sports provision inclusive	To ensure all school sports activities are adapted to be fully inclusive through careful planning	No cost	All children have a wide experience of physical activities.	Ensure all staff are fully aware of inclusive practice and equal opportunities are at the heart of everything
To promote girls' involvement in football	To set up a girls' football practices	No cost	Girls' football has a high profile and girls are involved in competitive sport with high levels of enthusiasm.	To encourage staff to lead girls' football so this becomes embedded in school culture
To encourage safe cycling	To run the Oxfordshire Cycle Safety Scheme for Year 6 children	No cost	Children know about safe cycling by the end of primary school.	Ongoing but dependent on parent volunteers
To extend the number of after school sports clubs	To continue to offer a range of sports after school clubs	No cost	Children get the chance to try out new sports after school.	Ongoing

<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2025.</p> <p>Please see note above</p>	<p>35/54 = 65%</p>
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke?]</p> <p>Please see note above</p>	<p>31/54 = 57%</p>
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	<p>9/54 = 17%</p>
