

Year 2 Homework Menu

Term 6 2024-2025

Reading

Bring in a book you have enjoyed at home to share with your classmates.

FRACTIONS

Maths

Make paper plate fractions. Can you colour/cut the plate into halves, quarters and thirds?

Topic

Create a globe/atlas using whatever resources you have at home and mark out the equator.

How is the climate different here to home?

Transition

Reflect on your year in Year 2.
Create a memory jar full of your favourite moments.

Topics title:
Kenya and the UK

English

Practice your spellings in a different way!
e.g., play doh, shaving foam, chalk

Science

Research a habitat from across from world – arctic, desert, pond, urban.

Create a newsround report about your chosen habitat.

Art

Go outside and create a piece of minibeast artwork using any natural resources you can find!

PE

Create a fact file about your favourite sports person/ football player.

If you don't have one already – research a famous sports person.
What facts can you find out?
