

Langford Village CP School

Year 1 Homework Menu

Summer Term 2026

Homework Deadlines: Monday 11th May and Monday 29th June. Choose one activity from the grid to complete for each deadline. You have around five weeks to complete a piece of work so take time to complete it as a project. A piece of writing is expected to accompany each piece. The topics below are just suggestions for ideas you could work on but feel free to research any aspect of the subjects we are learning in class.

Postcard from the Beach

An ENGLISH based project

Write a postcard to a friend or family member telling them about your trip.

Include:

- Where you are – name the seaside place
- What you can see – the beach, sea, boats
- What you are doing – building sandcastles, paddling, or collecting shells
- How you feel – excited, happy, or having fun.

Plant Detective

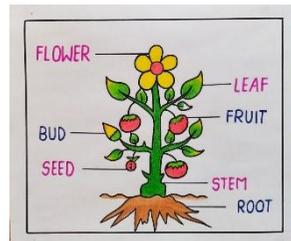

A SCIENCE based Project

Go on a short walk and find 3 different plants.

For each plant: Draw a picture of it.

Think about: Is it a flower, a tree, or another kind of plant? What colour is it?

Label the parts of the plant: Root, Stem, Leaf and Flower (if it has one)

Continent Explorers!

A GEOGRAPHY based Project

Choose **one continent** to research.

- Can you find out about:
- The name of your continent
 - An animal that lives there
 - The climate – is it hot or cold?
 - What the land is like (for example: desert, jungle, mountains, or ice)

You can present your work as a poster or in any other creative way you like.

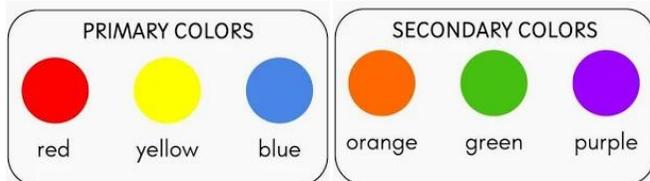

If you would like an extra challenge, you could create a continent art piece. Can you label all of the continents and the oceans on your artwork?

Mix it up!

An ART-based Project

Look around your home or garden and find 3 things in primary colours and 3 things in secondary colours. Draw them in a colour chart.

Planes Through Time

A HISTORY based Project

Compare early planes with modern planes.

- Draw one of each
- Label parts you notice (wings, propeller, engine, cockpit)
- Write one sentence about the difference

My Day Timeline

Maths – Time

Draw **4-6 pictures** showing your day in order. Can you label your day?

For example;

- Wake up
- Go to school
 - Lunch
 - Play time
 - Dinner
 - Bedtime

Project Deadlines:

Term 5 - Monday 11th May 2026

Term 6 - Monday 29th June 2026

Over the next term, you'll be completing homework projects that you can feel really proud of. It's your chance to explore something fun, stick with it, and show off your amazing ideas and effort. We can't wait to see what you create, and we'd love to show it off in our classrooms!

What to include:

- **Neat presentation** – use your best handwriting or type it if you like.
- **Add something colourful** – a drawing, map, chart or picture to go with your writing.
- **Extra WOW!** – you can make something to go with your project, like a model, mask, cake, diorama, video or jewellery. Be creative!

Suggested weekly steps:

Week 1

Look at the ideas on your homework menu or think of your own. Read or talk about the topic to get inspired. Choose what your project will be about and how you'll show it - maybe a fact sheet, booklet, slideshow, model or even a short play!

Week 2

Start finding out more and write down some notes. You could begin a drawing or poster too.

Week 3

Keep researching and start writing your first draft using your notes.

Week 4

Ask a grown-up or friend to read your work and give you advice. Make it even better by checking your spelling, punctuation and sentences. Then write it up neatly.

Week 5

Add your final touches! Finish any pictures or models. Ask someone to check it one last time - then hand it in knowing it's your very best!

We're so excited to celebrate your hard work. Keep going, take pride, and enjoy the journey - your ideas are amazing and your learning matters!
