

Langford Village CP School

Year 5 Homework Menu

Summer Term 2026

Homework Deadlines: Monday 11th May and Monday 29th June. Choose one activity from the grid to complete for each deadline. You have around five weeks to complete a piece of work so take time to complete it as a project. A piece of writing is expected to accompany each piece. The topics below are just suggestions for ideas you could work on but feel free to research any aspect of the subjects we are learning in class.

English

Debate

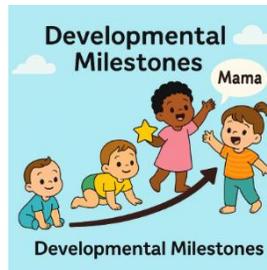

Research and list arguments **for** and **against** keeping animals in zoos, then write a short paragraph stating your own opinion with reasons.

Science

Personal Development Project

Create a timeline using photographs of you from birth to now. Then add details of your development, for example when did you get your first tooth? When did you first crawl? When did you first walk?

Geography

Environmental Impact Diary

Keep a weekly diary of actions you take to protect the environment in Oxfordshire, such as walking instead of driving, recycling, saving water, or reducing plastic. Note local issues like litter or traffic, then reflect on which actions had the greatest impact and suggest improvements.

PE

Dodgeball Rules Poster

Research and then design a clear poster explaining the rules of dodgeball.

History

A Research-based Project

How many interesting facts can you find out about Bicester. How far back in history can you go?

Design and Technology

A Food Based Project

Research the different food groups and then plan and make a healthy meal for your family. Ask them to review it.

Project Deadlines:

Term 5 - Monday 11th May 2026

Term 6 - Monday 29th June 2026

Over the next term, you'll be completing homework projects that you can feel really proud of. It's your chance to explore something fun, stick with it, and show off your amazing ideas and effort. We can't wait to see what you create, and we'd love to show it off in our classrooms!

What to include:

- **Neat presentation** – use your best handwriting or type it if you like.
- **Add something colourful** – a drawing, map, chart or picture to go with your writing.
- **Extra WOW!** – you can make something to go with your project, like a model, mask, cake, diorama, video or jewellery. Be creative!

Suggested weekly steps:

Week 1

Look at the ideas on your homework menu or think of your own. Read or talk about the topic to get inspired. Choose what your project will be about and how you'll show it - maybe a fact sheet, booklet, slideshow, model or even a short play!

Week 2

Start finding out more and write down some notes. You could begin a drawing or poster too.

Week 3

Keep researching and start writing your first draft using your notes.

Week 4

Ask a grown-up or friend to read your work and give you advice. Make it even better by checking your spelling, punctuation and sentences. Then write it up neatly.

Week 5

Add your final touches! Finish any pictures or models. Ask someone to check it one last time - then hand it in knowing it's your very best!

We're so excited to celebrate your hard work. Keep going, take pride, and enjoy the journey - your ideas are amazing and your learning matters!
