

How to be a zookeeper

Equipment

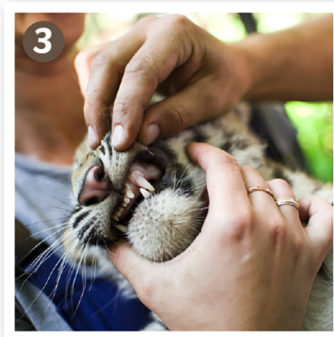

- uniform
- boots
- spade
- shovel
- hosepipe
- bucket
- brush
- animal feed

Prepare the animals' food and feed the animals.

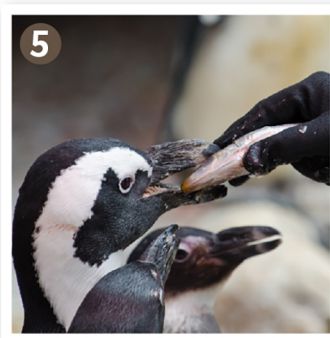

Make sure the animal enclosures are clean.

Check the animals are well and report sick animals to the vet.

Prepare for shows or talks and answer questions asked by zoo visitors.

Finish feeding and watering the animals.

Wash and groom the animals and prepare them for night time.
