

You will need a piece of
A4-sized paper.

Fold the outer edges
in again to meet at
the centre fold.

Fold down the wings on each
side so that they meet with the
bottom of the plane.

Turn the paper over and then
fold it in half in the middle.

Your plane is ready to fly! How far
can you make it go?

Make a line in the centre
by folding the paper
in half longways then
opening it out flat.

Fold the outer edges
in again to meet at
the centre fold.
