

Moving to Year 1

In September, you will be a Robin.

This will be your new classroom but it may look a little different when you arrive in September.

This is where you will learn new and exciting things every day.

We all help each other in Year 1 but if you are upset or worried, you can talk to your new teacher or teaching assistant.

Mrs. Lamburn

Mrs. T.

During the day at school, you will spend time learning and having fun in the classroom. We also like to learn outside whenever we can but unfortunately, we do not go to Forest School.

We will have playtime on the big playground in the morning, at lunchtime and again in the afternoon, so you can meet all your friends from the Wrens class.

Every day, you will arrive at school at 8:40am, say goodbye to your grown up and then line up on the playground with your class. Mrs. T and Mrs. Lamburn will be on the playground so you won't get lost.

When you get to Year 1, Mrs. Lamburn and Mrs. T. will show you where the cloakroom, the toilets and your drawer is.

At lunchtime, we will hopefully eat our lunch in the hall. Mrs. Lamburn and Mrs. T. will take you to the hall and if you are having a school lunch, they will help you collect your lunch. If you have a packed lunch, they will help you too.

If we can't eat in the hall in September, we will eat in the classroom, like you did in Reception.

At 3.10pm it will be time to go home or to the After School Club. If you go to the After School Club, Mrs. Lamburn or Mrs. T. will take you to the meeting point and wait with you until the Play Workers arrive.

Everyone else will wait on the playground with your class until your grown up arrives to take you home. You must wait in the line until Mrs. Lamburn or Mrs. T. calls your name, this means we can see your grown up and they can see you.

We are really looking forward to meeting you in September.
