

Hello again Ospreys, we meet again!

I am so looking forward to be your teacher for a whole year! I hope you are as excited as I am! I look forward to seeing how you have grown over this year and see the people you have become. We are going to have so much fun in Year 4.

You already know a lot about me. But I am going to tell you again and maybe you'll find out even more this time!

As you know, I have 2 brothers called Ben and Mark. They are younger than me, making me the oldest in my family. I also have 2 cats called Smokie and Bandit. They are brother and sister. Bandit is a black cat with a white tuft on his belly and Smokie is a grey tabby with white feet. They are about 13 years old now. So that is like 91 in human years! We have had them for a long time! But they still act like kittens, chasing their tails. Do you have any brothers and sisters or any pets?

My favourite animal is a Tiger and has been all my life. I have so many stuffed Tiger toys at my parents' house! My favourite colour is green, and the shade I absolutely love is a forest green. It reminds me of nature and being in the woods. I do a lot of running, I love being in nature and being in the fresh air. I run around Bicester at least once a week. Some of you might have seen me, but I do look different when I don't wear my glasses! I also like to ride my beautiful bike I've called Shirley. She is blue with a basket, a bell and a place for my bags at the back. Have you been riding your bikes during this lovely weather we have been having?

So Year 4! As a teacher, we are constantly learning like you do. I am looking forward to learning about our topics next year and learning even more about you all. What are you looking forward to in Year 4?

Over the summer, practise your timetables and read my lovelies! I asked Oskites what my summer homework should be and they gave me a list of films to watch, ready for September. Here is the list of films I have not yet seen. (You can test me in September to make sure I have watched them).

- All the Home Alone movies
- All the Star Wars movies
- Frozen 2
- The Lion King
- All the Jurassic Park movies
- Home
- Billionaire Boy
- Gangster Granny
- The Lost Dinosaur

I have been told to read these books over the summer too!

- Beast by David Walliams
- Horrible History Collection

Have an amazing summer and I cannot wait for our Year 4 Tawny Owls class to be together in September.

Love Miss Stephens xxxx
