

Correct Carla's Commas

Carla has tried to add commas in the right places in her work. She's not quite got the hang of where the commas should be or where to put the word 'and' or 'or'. Read each sentence and decide if it's right or wrong. If it is right, give it a tick. If it's wrong, rewrite the sentence underneath.

Sentence	Right	Wrong
I had fish and chips and peas, salad for dinner.		
My favourite hobbies are running, cycling, swimming, rowing.		
My rabbit ran, hopped and raced across the garden.		
My brother's friends are Harry, Rohit, Libby and Martha and Leon.		
For the obstacle course, we had to throw the beanbags footballs balloons and bouncy balls into the bin.		
I don't like green, blue or purple but I do like yellow, red and orange.
