

Langford Village CP School

Year 6 Homework Menu

Autumn Term 2026

Homework Deadlines: Monday 12th October and Monday 7th December. Choose one activity from the grid to complete for the deadline. You have around five weeks to complete a piece of work so take time to complete it as a project. A piece of writing is expected to accompany each piece. The topics below are just suggestions for ideas you could work on but feel free to research any aspect of the subjects we are learning in class.

World War II A HISTORY based project During World War II, British families built Anderson shelters in their gardens to stay safe during air raids. They were made from corrugated metal sheets and buried partly underground, often covered with soil and grass to provide extra protection. Create a model Anderson shelter to show how families protected themselves during air raids. 	Electricity A SCIENCE based Project Imagine you are an inventor in an electricity workshop! Design a new electrical gadget that could help people at home, at school, or in the community. Draw and label a diagram showing: - The circuit (use correct symbols if you can). - The components (battery, wires, bulb, switch, etc.). Write a short explanation that answers: - What does your invention do? - How does the circuit work? - Why is it useful? - What safety features does it have?	Map Work GEOGRAPHY based Project During World War II, countries around the world formed two main alliances: - The Allies - The Axis Powers Your job is to create a world map showing which countries were part of each alliance. 
Fitness A PE based Project - With your parent/carers support, find a safe 1 mile (or more if you want a challenge) running route. - Run the mile, timing yourself from start to finish. - Run this route as frequently as possible, timing yourself each time. - Ask yourself, what effects the time that you run it in? e.g. time of day, what you've eaten, day of the week etc. - Show your findings on a poster.	Photo Montage A DT based Project Create a magazine collage, inspired by the work shown below.  	Christianity An RE based Project Are Saints encouraging role models? Research your ideas and display your thoughts. 

Project Deadline:

Monday 12th October and Monday 7th December

Over the next few weeks, you'll be completing a homework project that you can feel really proud of. It's your chance to explore something fun, stick with it, and show off your amazing ideas and effort. We can't wait to see what you create, and we'd love to show it off in our classrooms!

What to include:

- **Neat presentation** – use your best handwriting or type it if you like.
- **Add something colourful** – a drawing, map, chart or picture to go with your writing.
- **Extra WOW!** – you can make something to go with your project, like a model, mask, cake, diorama, video or jewellery. Be creative!

Suggested weekly steps:

Week 1

Look at the ideas on your homework menu or think of your own. Read or talk about the topic to get inspired. Choose what your project will be about and how you'll show it - maybe a fact sheet, booklet, slideshow, model or even a short play!

Week 2

Start finding out more and write down some notes. You could begin a drawing or poster too.

Week 3

Keep researching and start writing your first draft using your notes.

Week 4

Ask a grown-up or friend to read your work and give you advice. Make it even better by checking your spelling, punctuation and sentences. Then write it up neatly.

Week 5

Add your final touches! Finish any pictures or models. Ask someone to check it one last time - then hand it in knowing it's your very best!

We're so excited to celebrate your hard work. Keep going, take pride, and enjoy the journey - your ideas are amazing and your learning matters!
