

Langford Village CP School

Year 2 Homework Menu

Autumn Term 2025

Homework Deadline: Monday 1st December Choose one activity from the grid to complete for the deadline. You have around five weeks to complete a piece of work so take time to complete it as a project. A piece of writing is expected to accompany each piece. The topics below are just suggestions for ideas you could work on but feel free to research any aspect of the subjects we are learning in class.

Remember, remember the 5th of November! A HISTORY based project

Create a poster or mini-booklet telling the story of the Gunpowder Plot.

This could include:

- a timeline of what happened before, during or after the plot.
- Pictures of Guy Fawkes and the Houses of Parliament.
- An explanation of how we celebrate Bonfire Night in the modern day.

Growing and Changing A SCIENCE based Project

Plant a seed (bean, sunflower, or cress are easy ones to plant) and keep a diary with drawings or photos showing how it grows each week.

Rolling Rivers GEOGRAPHY based Project

Make a 3D river model to show the source, river, and mouth. Be creative – use different materials to show the journey of a river as it travels from the mountains to the sea.

Owls An ENGLISH based Project

Research and make a fact sheet about different kinds of owls. Research questions such as – what do they look like? What do they eat? How do they hunt?

My magical map! An ART based Project

Design and draw your own map. This could be from a real place (like your journey to school) or an imaginary world (like a pirate island, fairy kingdom or dinosaur land!) Include a key to explain your symbols and label important places.

Leaders who inspire us An RE based Project

Choose a leader – this person could be religious or a leader in the community. Make a fact poster about what makes them a good leader and draw pictures of them.

Project Deadline:

Monday 1st December

Over the next few weeks, you'll be completing a homework project that you can feel really proud of. It's your chance to explore something fun, stick with it, and show off your amazing ideas and effort. We can't wait to see what you create, and we'd love to show it off in our classrooms!

What to include:

- **Neat presentation** – use your best handwriting or type it if you like.
- **Add something colourful** – a drawing, map, chart or picture to go with your writing.
- **Extra WOW!** – you can make something to go with your project, like a model, mask, cake, diorama, video or jewellery. Be creative!

Suggested weekly steps:

Week 1

Look at the ideas on your homework menu or think of your own. Read or talk about the topic to get inspired. Choose what your project will be about and how you'll show it - maybe a fact sheet, booklet, slideshow, model or even a short play!

Week 2

Start finding out more and write down some notes. You could begin a drawing or poster too.

Week 3

Keep researching and start writing your first draft using your notes.

Week 4

Ask a grown-up or friend to read your work and give you advice. Make it even better by checking your spelling, punctuation and sentences. Then write it up neatly.

Week 5

Add your final touches! Finish any pictures or models. Ask someone to check it one last time - then hand it in knowing it's your very best!

We're so excited to celebrate your hard work. Keep going, take pride, and enjoy the journey - your ideas are amazing and your learning matters!
