Nursery Homework Menu

Autumn Term 2026

Take a picture of you enjoying a book in your favourite place and put it on Tapestry for us to share in class. Tell us about your favourite story.

Go on an Autumn scavenger hunt and take pictures of things you spot/collect. Can you find red and yellow leaves, a pinecone, a feather or a smooth stone.

Upload your pictures for us and bring in the items for our nature table.

Collect different colours, and sizes of leaves. Use them to make an animal, a tree, or an autumn picture. You can stick them onto paper.

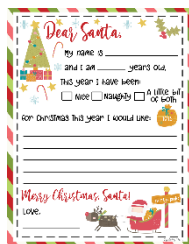

When you're out and about, see if you can spot poppies in your community - maybe on posters, in gardens, or on people's clothes around Remembrance Day. You could draw or take photos of them, too.

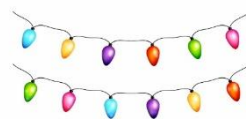

Topics title: Amazing Me

Paint or draw a picture of your family and bring it into nursery to be displayed on the wall.

Think about what you might like for Christmas and what you've enjoyed doing this year. Write or draw your letter to Father Christmas.

Choose a celebration your family enjoys - Christmas, Diwali, Hanukkah, Eid, or any other special time. Help put up decorations, lights, or ornaments. Take a picture or draw what your home looks like when it's ready for the celebration.

Go for a walk and look for shapes in the world around you! Can you spot a circle (wheel), square (window), triangle (roof), or rectangle (door)? Take photos and share on tapestry.
