Langford Village CP School

Year 5 Homework Menu

Autumn Term 2026

Homework Deadlines: Monday 12th October and Monday 7th December. Choose one activity from the grid to complete for the deadline. You have around five weeks to complete a piece of work so take time to complete it as a project. A piece of writing is expected to accompany each piece. The topics below are just suggestions for ideas you could work on but feel free to research any aspect of the subjects we are learning in class.

Mayan masters A HISTORY based project Create your own Maya civilisation museum box! Choose one aspect of Maya life, such as their homes, food, clothing, religion or inventions, and create a small 3D model or display showing what you have discovered. Include at least 5 interesting facts and labels explaining the different parts of your model.	**Earth and space** A SCIENCE based Project Create a model of the Solar System, showing the planets in the correct order from the Sun. Include the name of each planet and at least one interesting fact about each one. 	**Spanish** An MFL based project Explore Christmas traditions in Spain and one other country, discovering how people celebrate Christmas through their food, decorations, music, gifts and special customs. Present your findings in a creative poster or fact file.
Research a famous Rugby A PE based Project Research and create a fact file about a famous Rugby player and present information about their life, achievements and impact on rugby as a sport. 	**Produce an item made of wool** An ART based Project Create a wool-based item, such as a pom-pom, exploring different colours, textures and techniques. Develop your practical skills by following instructions carefully and creating a finished item that you can be proud of. 	**Deep Diving** An RE based Project Learn about the different ways Christians believe God communicates with people and share your ideas in a creative way. **Research ideas:** • Find a bible story where God communicates with someone (Moses and the Burning Bush) • Ask family and friends how they think God communicates. • Present your findings in an imaginative way

Project Deadline:

Monday 12th October and Monday 7th December

Over the next few weeks, you'll be completing a homework project that you can feel really proud of. It's your chance to explore something fun, stick with it, and show off your amazing ideas and effort. We can't wait to see what you create, and we'd love to show it off in our classrooms!

What to include:

- **Neat presentation** – use your best handwriting or type it if you like.
- **Add something colourful** – a drawing, map, chart or picture to go with your writing.
- **Extra WOW!** – you can make something to go with your project, like a model, mask, cake, diorama, video or jewellery. Be creative!

Suggested weekly steps:

Week 1
Look at the ideas on your homework menu or think of your own. Read or talk about the topic to get inspired. Choose what your project will be about and how you'll show it - maybe a fact sheet, booklet, slideshow, model or even a short play!

Week 2
Start finding out more and write down some notes. You could begin a drawing or poster too.

Week 3
Keep researching and start writing your first draft using your notes.

Week 4
Ask a grown-up or friend to read your work and give you advice. Make it even better by checking your spelling, punctuation and sentences. Then write it up neatly.

Week 5
Add your final touches! Finish any pictures or models. Ask someone to check it one last time - then hand it in knowing it's your very best!

We're so excited to celebrate your hard work. Keep going, take pride, and enjoy the journey - your ideas are amazing and your learning matters!
