

Langford Village CP School

Year 3 Homework Menu

Autumn Term 2025

Homework Deadline: Monday 1st December Choose one activity from the grid to complete for the deadline. You have around five weeks to complete a piece of work so take time to complete it as a project. A piece of writing is expected to accompany each piece. The topics below are just suggestions for ideas you could work on but feel free to research any aspect of the subjects we are learning in class.

Design your own Stone Age tool A HISTORY based project Create or draw a tool that might have been used during the Stone Age. You can base it on a real tool (like a hand axe, spear, or scraper) or invent your own tool inspired by how Stone Age people lived.  Does your tool have any special features e.g. sharp edge for cutting, pointed end for hunting?	Meet the “Humumanimal” Half Human, Half Animal A SCIENCE based Project Step 1: Choose Your Animal Inspiration Research your animal: • What does it eat? • How does it move? • What body parts help it survive? Step 2: Design Your Humumanimal • Draw a picture of your Humumanimal. • Label the body parts and explain what each does. Step 3: Make a Habitat Model • Using cardboard, clay, or recycled materials, build a small model of your habitat.	Build Your Perfect Settlement! GEOGRAPHY based Project Step 1: Choose a Type of Settlement • Decide if your settlement is a village, town, or city. • Think about where it might be located (e.g., near a river, on a hill, in a forest). Step 2: Create a map for your settlement. Step 3: Write a day-in-the-life story of someone living in your settlement. 
Create a rugby based game! A PE based Project Step 1: Create Your Game: • Think of a new game that uses rugby skills. • Decide on the rules, how to score points, and any boundaries or safety rules. Step 2: Write Instructions: • Clearly explain how to play your game. • Include details such as: ○ Number of players ○ How to move the ball ○ How to score points ○ Any special rules Step 3: Bring It to School: • Be ready to teach your game to your classmates and let them play. • You may include drawings or diagrams to help explain your game.	Cooking up a storm A DT based Project Can you make your own vegetable tart? Learn about healthy eating and research the benefits of vegetables. Can you present your dish with the list of ingredients and a recipe for your classmates to follow? 	Haiku A MUSIC based Project Make a haiku book with illustrations for each poem.  I saw two seagulls And a red bird in a tree Waiting there for spring - Jennifer

Project Deadline:

Monday 1st December

Over the next few weeks, you'll be completing a homework project that you can feel really proud of. It's your chance to explore something fun, stick with it, and show off your amazing ideas and effort. We can't wait to see what you create, and we'd love to show it off in our classrooms!

What to include:

- **Neat presentation** – use your best handwriting or type it if you like.
- **Add something colourful** – a drawing, map, chart or picture to go with your writing.
- **Extra WOW!** – you can make something to go with your project, like a model, mask, cake, diorama, video or jewellery. Be creative!

Suggested weekly steps:

Week 1

Look at the ideas on your homework menu or think of your own. Read or talk about the topic to get inspired. Choose what your project will be about and how you'll show it - maybe a fact sheet, booklet, slideshow, model or even a short play!

Week 2

Start finding out more and write down some notes. You could begin a drawing or poster too.

Week 3

Keep researching and start writing your first draft using your notes.

Week 4

Ask a grown-up or friend to read your work and give you advice. Make it even better by checking your spelling, punctuation and sentences. Then write it up neatly.

Week 5

Add your final touches! Finish any pictures or models. Ask someone to check it one last time - then hand it in knowing it's your very best!

We're so excited to celebrate your hard work. Keep going, take pride, and enjoy the journey - your ideas are amazing and your learning matters!
