

Year 3 Homework Menu Term 5 2024-2025

Science

Explore shadows and how they are formed.
Make a poster to explain your findings

Design Technology

Build a castle from Junk modelling, Lego, Jenga blocks or whatever you have at home and take a photo or draw a picture of it to share with the class.

Reading

Find or write a poem about light. Learn it by heart and then read aloud to your class.

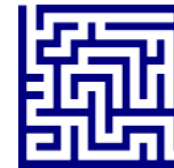

Geography

Draw and label the area where you live and any interesting landmarks. You can use a key. Remember to do it from a bird's eye point of view.

Topics title: Home is where the heart is

Design Technology

Design and make your own Labyrinth. It could be made of straws, string or wood

Art

Draw a picture of your house or a local building you find interesting. Pay attention to the little details.

Science

Keep a growing diary of your sunflower. Record how tall it is each week. We can compare heights at the end of term.

Music

Listen to a range of ballads and choose a favourite so we can create a class playlist.
