

Year 5 Homework Menu

Term 1 2025-2026

Geography: make a poster of the countries which use Spanish as their official language.

Maths: research information on the Maya calendar and create your own (template available)

PE: To find out about the Maya sport 'Pok a Tok' and how it compares to football and basketball. Create a poster explaining how to play.

D&T: Maya are well-known for their towering pyramids and temples. Design and build your own pyramid or temple – using junk modelling, Minecraft, Lego etc

Topic title: Maya Masters

Science: with parental supervision, test whether the temperature of water affects the speed of dissolving sugar. 3 spoonsful of sugar into a cup of water – cold, warm and hot. Time how long it takes for each one to dissolve.

English: write an acrostic poem about the Maya civilization

Cooking: Follow the recipe in the link below and make some delicious Maya brownies
